Slickrock: The Canyon Country of Southeast Utah

Edward Abbey has got to be one of my favourite authors of all time. He's right and we all need to read him.

***** beautiful and inspiring *****

Just found this book at my local library in Colorado; my introduction to Edward Abbey, and Philip Hyde (unbelievably gorgeous photography). The text is so fine, beautifully written, and informative (and so humourous), by both of these men, and I've never seen such beautiful photography. John Wesley Powell would have so loved this book. This is the book on the canyon country.
