From traditional skills to the newest techniques, Storey's Bulletins provide a foundation of earth-friendly information for the way you want to live today.

Cathy Baker is a contributor to several do-it-yourself books for Storey Books including Building Simple Furniture. Storey Country Wisdom Bulletin A-16

A well researched, and written book on the topic. I believe that I could use this book to cane a chair

seat or replace the seat weaving on a chair. It is very detailed in defining the steps, and well illustrated. It is a good book for someone who has never done the tasks before. I have fond memories of a set of dining room chairs that an aunt and uncle owned that had woven seats. Much more comfortable than the solid wooden seats on my dining room chairs.

A refresher course of redoing our chairs

cant wait to try maing one the items in the book got it as a starter

ok

I have not done my project yet. But this pamphlet/publication will be very useful and helpful for me to repair my patio sofa. Illustrations and steps are fine.

its ok i guess for a beginner. i have no knowlage of doing this,but this book will get me through the seats on my canoe.for learning the basics,,it fine.roy

This manual is very clear and concise...helpfully illustrated...and easy to follow as you progress through the work.

Easy to read and follow instructions, but I never did fix the seat on my chair.
