# Floating Alaska! Planning Self-Guided Fishing Expeditions (Clear & Simple Guides)

## Synopsis

Alaska is a dream destination for many fishermen, but with this book those dreams can now come true. Don Crane takes a complicated topic and breaks it down so that anyone can plan a self-guided float trip for an extremely reasonable price. Crane covers; preparation; gear; camping; food; fishing; wildlife; resources and services; and so much more. If you and your buddies have always fantasized about an Alaskan fishing adventure, *Floating Alaska!* will tell you everything you need to know for a productive, inexpensive, and organized trip.

## Customer Reviews

Don Crane grew up in Colorado in a family that loves the outdoors. After a 32-year career as a District Wildlife Manager with the Colorado Division of Wildlife, Don and his wife Mary moved to Cody, Wyoming where he books worldwide hunting and fishing trips. He has also guided fly-fishermen in the Cody area. In addition to his Alaska river adventures, Don has float-fished rivers in Alberta and British Columbia, plus numerous rivers in the western states.

Good resource. It is dated a few years but most of the information is applicable today.

Perhaps one of the best books available to anyone that enjoys a "do it alone" expedition in Alaska.....

This book has some great info. and is well worth it the cost of the book and the shipping. I expect it to help me on my ANWR raft trip.

The book are very helpful and easy-last for planning self guided expeditions.And I received the book 10 days lather :-)

Don Crane provides here a well written, organized, and informative guide with tried and true tips for planning a memorable self-guided float trip for the budget conscious. The author's extensive years of professional and personal fishing and wildlife experiences, research, and outdoor adventures shows through in this well thought out work. Crane discusses selecting a river, fishing with fly or lure, rowing a raft, campsites, and water purification along with other relevant topics. His sample trip estimate, itinerary, food and gear checklists, and menu are very helpful as are the list of sources and services. This is a must have guide for those planning a dream floating adventure!

Don Crane's Floating Alaska! Planning Self-Guided Fishing Expedition (Clear & Simple Guides) is truly a book from a pro. Though fishing Alaska on a float trip sounds like all fun, don't be fooled into thinking it can be done without a lot of planning. The author draws from his experience as a wildlife expert and as one who has taken this trip to give you all the details you need to have a successful venture. Better yet, Don gives you tips on how to keep this trip economical. It is a "must read" book if you are planning any trips similar to this.

"Floating Alaska!: Planning Self-Guided Fishing Expeditions" is an enthusiastically recommended, step-by-step planning guide for a do-it-yourself excursion to fishing the waters of Alaska. Expert angler and trip-planner Don Crane covers such issues as preparing for the trip, the appropriate gear to include, camping, food, fishing, the wildlife, resources, services, and a great deal more. Practical, comprehensive, 'user friendly', "Floating Alaska!" will insure a productive, inexpensive, well organized, and thoroughly enjoyable fishing trip to Alaska. Incidentally, much of Crane's sage advice and practical instructions would apply to planning a fishing trip to anywhere else in the country!
